Wal-Mart Makes Grant to Clermont County Public Library

The Clermont County Public Library received a charitable donation from Wal-Mart Foundation on January 27, at the location of the new Wal-Mart Supercenter in Amelia. CCPL Director Leslie Massey (left) accepted the grant in the amount of \$1,000 from Wal-Mart Store Manager Phillip Nichols.

As part of the grant presentation, Nichols stated, “Wal-Mart strives to be an active member of the community. Through charitable donations and community volunteer programs, our Wal-Mart Associates can actively engage in different organizations and outreach programs within the community.”
