LIBRARY, WESTERN-SOUTHERN FINANCIAL TO ID CHILDREN

Batavia, OH- The Clermont County Public Library (CCPL) is partnering with Western-Southern Financial Group by offering free fingerprinting and identification kits for children at all ten library branches. An adult must accompany children.

According to statistics compiled by the FBI and National Center for Missing and Exploited Children, over 700,000 children were reported missing last year. That equates to more than one every minute of everyday. Child Fingerprint Identification kits can serve as an invaluable tool in the event of a missing child. Designed to aid law enforcement, the kit is priceless when trying to locate a child within a critical time frame.
