FLASH YOUR CARD & SAVE!

Batavia, OH – The Clermont County Public Library (CCPL) will once again offer the popular “**Flash Your Card and Save**” program to celebrate National Library Card Sign-up month. The event will run September 1-30 at participating businesses.

During the month of September your library card does more than give you free access to books, magazines, and CDs. Thanks to local, participating businesses your library card also lets you receive discounts and special offers – all for being a library card holder. “The Clermont County Public Library is a great resource for education and entertainment all year long,” says Cindy Mahaffey, System-wide Programmer. “We are really excited that in September you can receive discounts at many local businesses by simply showing your library card.” With over sixty participating businesses, you’ll be sure to receive great discounts all month. Just ‘Flash Your Card’ at participating businesses to receive the special offers. For a complete list of businesses stop by your local CCPL branch or visit [www.clermontlibrary.org](http://www.clermontlibrary.org).

Need a library card? Apply at your local CCPL branch and receive your new card within minutes. Bring photo identification and proof of your current mailing address. Library staff will snap your picture and place your photo in the library computer system to protect you from another individual using your card without your permission.
