This year’s theme centers around a past time everyone can get excited about- eating! Join the Clermont County Public Library (CCPL) as they **“Feed the Need to Read”**. Children ages Preschool through 4th grade are invited to participate and will have the opportunity to earn prizes throughout the summer. The program runs June 4-July 28.

Children can stop by any branch in Clermont County to register for the program. Upon registering children will receive a game board with instructions outlining the program. Children will read, listen to books, and craft their way to prizes. Prizes will be awarded after the child completes tasks and reaches the “prize” space on the game board.
