

Parent/guardian,

Studies show that reading and access to books is crucial for success in school. We are happy to announce getting library books for your student is easier than ever!

The Clermont County Public Library offers a **3 For Me library card** that allows access to three books at a time with no fear of accumulating fines for overdue materials. No audio-visual items or adult materials can be checked out on this card.

Parents, please fill out the application brought home by your student and return it to school. The library will assign a 3 For Me card to your student and deliver the card to your school for distribution.

The Library asks that the books be returned by the due date, but if a few extra days are needed, that's OK. No fines will be charged.

The 3 For Me card will not be linked to any other card.

If you do have any questions, please call the library. We'll be happy to help.

Happy reading and have a great school year!
