

Dear teacher,

The library wants to provide you with extra tools students can use to enhance their academic success.

3 For Me Library cards allow students to borrow up to three books at a time without fines. If a student returns an item a little past the due date, that's OK. No audio-visual items or adult materials can be checked out on this card.

| Books that can be checked out on 3 For Me card | Youth | Teen |
|---|--------------|-------------|
| Picture books, beginning readers, juvenile fiction and graphic novels | Yes | Yes |
| Juvenile magazines and Listen & Reads | Yes | Yes |
| Young adult fiction and graphic novels | No | Yes |
| Adult fiction | No | No |
| Juvenile nonfiction | Yes | Yes |

Give each student the letter of introduction and an application to take home to their parent/guardian to fill it out. Students should bring the application back to you.

A library staff member will pick up the applications and return library cards to school. When you give the card to the students, encourage each to begin using it for schoolwork and for the fun of reading. Please ask students to be responsible for the books and return them on time.

If you need extra posters or applications, please visit our website, clermontlibrary.org, for PDFs you can download and print.

Thank you for helping the Clermont County Public Library promote the 3 For Me library card. The Library's goal is to help you achieve success with your students.

Happy reading and have a great school year!
